6     DOMONIC RONALDO MALONE,  
7       Petitioner,  
8       v.  
9     BRIAN WILLIAMS, *et al.*,  
10      Respondents.

Case No. 2:18-cv-01146-RFB-NJK

11  
12                   **ORDER**

13     In this habeas corpus action, the Court granted Petitioner Domonic Ronaldo Malone habeas  
14     corpus relief on September 30, 2022. ECF No. 56. The Ninth Circuit Court of Appeals affirmed  
15     on January 8, 2024. ECF No. 61. Under this Court’s judgment, Malone’s retrial was to commence  
16     no later than July 16, 2025—that is, within 180 days after Respondents filed their Notice of  
17     Election to Retry on January 17, 2025). See ECF Nos. 56, 66.

18     On May 30, 2025, Malone, who is represented by appointed counsel, filed an Unopposed  
19     Motion to Amend or Alter Judgment, requesting that the time for commencement of the retrial,  
20     under this Court’s judgment, be extended to July 16, 2026. ECF No. 68. Malone’s counsel  
21     represents that the extension is necessary so that they can properly prepare for the trial, and counsel  
22     represent that Respondents do not oppose the motion. Good cause appearing,

23     **IT IS HEREBY ORDERED** that Petitioner’s Unopposed Motion to Amend or Alter  
24     Judgment (ECF No. 68) is **GRANTED**. The Judgment of this Court is amended to extend to  
25     **July 16, 2026**, the time by which the State must commence jury selection in the retrial following  
26     Respondents’ January 17, 2025, Notice of Election to Retry.

27     **DATED:** May 30, 2025.
